

Captain's Meeting: 2022-05-28 @ 20:00

2022-05-29:

- Two-minute interval between teams
- Floating start with countdown but there is a photocell, so don't worry
- Results are being posted as soon as possible (consider some extra time for double checking of the penalties)
- 15 minutes protest time > after unofficial results are posted
- Private videos will be considered and accepted as evidence but there will be as well a TV crew filming, so the jury do have video evidence
- Have the same safety equipment with you on the rafts as last few days
- All members of the team + friends, trainers, viewers > please have torches with you!! > the road where people are is not lit, only the slalom course
- Before sunset you can give a signal for rescuing > after sunset you will be rescued immediately > no self-rescue time
- Past gate nr. 12 > safety boat is on the right, but most are on the left
- The slalom race starts at 14:00
- Slalom course is 1.5 km away from Kanjon
- Main road will be closed after 12:30
- You can park upstream from the start, but you can walk there as well > then you won't have a time limit
- You have 1 hour to go home safely by foot > 00:00-00:30 time for walk home without cars
- transport from Banja Luka > 11h
- stairs that go down to river > right side is forbidden to pass > riverbanks as well

- don't ask or demand anything from the TV crews
- slalom course has been built today > last finishes tomorrow
- after finish please set up for the drive to Foča

2022-05-30:
